

## REVERENCE

*Reverence* was set up in June 2015 with the objective of:-

**Producing events** in the field of music, art, publishing, dance, puppetry, theatre, sculpture, photography and film.

**Publishing** of analog (e.g. LPs), digital (such as CDs, DVDs) and print media (e.g. books) and their individual & composite distribution (e.g. singles for use in film, compilation albums).

**Engaging** with musicians, luthiers (i.e. instrument makers), audio professionals, artists, authors, illustrators, graphic designers, web designers, dancers, puppeteers, theatre-persons, lights persons, camera persons, film crew, photographers, videographers, VJs and visualizers, and other skilled and unskilled persons for the production of events, workshops, recordings, exhibitions and performances.

**Consulting** in the field of music & publishing.

**Providing** state-of-the-art audio, photography & video equipment to artists so that they may work with the best technology available.

**Merchandising and Marketing activities** such as creation of promotional material and advertisements for print, radio and TV, cinema and screen; printing of posters, banners, flyers, and similar material; production of merchandising such as T-shirts, clothing, key chains, mugs, coasters etc. and their retail and online sale to support and promote its core activities of engaging with and promoting the arts.

The logo of *Reverence* is hands folded in prayer, above which is a bird in flight...

*Reverence* is a network of professional artists and musicians—musicians supporting musicians, artistes supporting art.
