

Archimedes Foundation

Archimedes Foundation is an independent body established by the Estonian government with the objective to coordinate and implement different international and national programs and projects in the field of training, education and research.

Education

We are the implementing body of [Erasmus+](#) and administer several national and international scholarship schemes for improving mobility, [marketing Estonian higher education](#) and research abroad. The evaluation of foreign qualifications is carried out by the [Academic Recognition Information Centre](#) (Estonian ENIC/NARIC centre), while [Estonian Quality Agency for Higher and Vocational Education](#) carries out institutional accreditation and quality assessment of study groups.

Research

We are the [Structural Funds Agency](#) for the period 2014-2020 in the field of Research & Development.

Youth work

[Youth Agency](#) is responsible for capacity building in the youth field with a special focus on international cooperation. Our activities can be divided into three main areas: supporting the development of young people, enhancing the quality of youth work and shaping youth policy.
